

Name: Diana

Age: 18

Diana lost her father when she was three years old and was brought up by her mother in the Southern Province of Zambia. She later lost her mother, becoming an orphan.

At the risk of being put forward into early marriage, one of our Baraka teachers adopted her so that she could safely continue her education.

Having demonstrated an extraordinary academic performance, Diana was accepted into one of the best boarding schools in the district, Chipepo Secondary. This is a fantastic opportunity for a girl like Diana - attending this school will open so many doors and provide the educational

support she needs to achieve her academic goals.
